Lake Sylvia State Park

EMBRACE YOUR NATURE

Welcome to Lake Sylvia State Park

Lake Sylvia State Park is a quiet, peaceful retreat surrounded by forest located near Montesano. The park began as an old logging camp in a wooded area halfway between Olympia and the Pacific Coast. The lake was formed by damming up Sylvia Creek for the purpose of log ponding and power production.

The 233-acre camping park is popular with anglers with its creek-fed lake that is stocked annually with rainbow trout. There are two rail-trails located in the park. One of the trails includes a wooden bridge built just above the elevation of the water. The boardwalk bridge makes a great location for fishing on a sunny day.

Overnight accommodations

The park offers 31 standard campsites and four partial-utility sites. Most sites will accommodate either a tent or an RV. Maximum site length is 30 feet (may have limited availability).

Reservations for individual campsites may be made online at www.parks.state.wa.us or by calling (888) CAMPOUT or (888) 226-7688.

There also is a group camp that accommodates up to 60 guests, with a minimum of 25. The group camp features a fire ring, covered cooking and meeting area and two vault toilets. RVs are not permitted in the group camp.

Reservations for the group camp can only be made by calling (888) CAMPOUT or (888) 226-7688.
