FORT WORDEN SITE & FACILITIES USE & DEVELOPMENT PLAN

ARCHITECTURE · CIVIL ENGINEERING · STRUCTURAL ENGINEERING · LAND USE PLANNING · INTERIOR DESIGN · GRAPHIC DESIGN

KEY

- PROGRAM – AUDITORIUM
- PROGRAM – CLASSROOM
- PROGRAM – DEDICATED
- ADMINISTRATION – OFFICE
- ADMINISTRATION – SHOP/STORAGE
- ACCOMODATIONS – FAMILY
- ACCOMODATIONS – MULTI-PERSON

NOTE: This is an example layout for incorporating 10-12 additional host sites into the campground. Detailed site design will seek to minimize removal of mature trees and limit cut and fill of slopes to the extent possible. If necessary, 4-6 additional host sites may be located adjacent to proposed staff housing on the south slopes of Artillery Hill.
