#	PROJECT DESCRIPTION and BENEFITS	DATES TIMES	VOLUNTEERS WILL NEED TO PROVIDE	SPECIAL NEEDS and NOTES
1	We will be removing invasive species at the Acheson Property. Mostly this will be blackberries, ivy, and some laurel. We will be planting some native trees and shrubs once the invasives are removed. General property cleanup of organic debris.	Saturday, April 16, 2011 from 9 am until noon.	Please bring work gloves (leather preferred), and hand pruners and shovels if you can.	Snacks will be served during the event and lunch will be provided afterwards. Please sign up in advance by contacting Mr. Erckmann (phone # above).
