#	PROJECT DESCRIPTION and BENEFITS	DATES TIMES	VOLUNTEERS WILL NEED TO PROVIDE	SPECIAL NEEDS and NOTES
1	<p><b>Spring Cleanup:</b> Rake leaves, clean campsites, prune trees and shrubs, stack branches and debris to be chipped later, walk lakeshore &amp; Pearrygin creek picking up litter, help plant a tree in commemoration of Earth Day.</p> <p><b>Benefits:</b> This community project will help get the park looking good for the 1<sup>st</sup> big weekend of the summer camping season. Also we will teach folks about the important benefits of having a <i>REUSABLE</i> drink container vs. plastic disposable water bottles. <a href="http://storyofstuff.org/bottledwater/">http://storyofstuff.org/bottledwater/</a></p> <p>The opening day of fishing is the following weekend April 23rd. In addition we will celebrate Earth Day by having speakers, bird house building, animal pelts, wildlife/fish biologist <b>and</b> a picnic/barbecue on the lawn in the day use area of the east campground.</p> <p>There is a chance we will have live folk music again this year! ☺</p>	<p><b>April 16<sup>th</sup> meet at east day use area to signup.</b></p> <p>Volunteers may park in the day use or boat launch parking lot in the east campground</p> <p><b>10:30 AM to 1:00 PM; then barbecue lunch provided.</b></p>	<p>Work gloves, sunglasses, good boots, pruning saws, clippers, rakes, and a good hat to protect your head from the beautiful sunny rays of spring!</p> <p><b>Bring your own water bottle for a special prize!</b></p> <p>Plan to have a GREAT time celebrating the <b>41st Anniversary of Earth Day</b> with your community, friends, family, and neighbors.</p>	<p>A desire to walk the entire park from east to west, west to east, picking up litter. We have an award ceremony at lunch for the most unusual piece of garbage found and picked up! ☺☺☺</p> <p>If you have special knowledge and skills pruning trees that would be great, but not necessary.</p> <p>Bring an <b>EXCITEMENT</b> to help “your” community park and also celebrate Earth Day by protecting lake shore ecology, learning about why we need to reuse, reduce, and recycle plus ways to save energy and resources.</p> <p>After lunch we will plant a tree in Celebration of Earth Day.</p>
