

Help us plan for the future of Lake Sammamish State Park

Washington State Parks is updating the master plan for Lake Sammamish State Park.

A kickoff public meeting is scheduled for:

Thursday, March 29th

6:00 to 8:00 p.m.

Tibbetts Creek Manor
750 17th Ave NW
Issaquah WA

At this meeting, State Parks staff will provide background on the goals for the planning process and will seek input on the kinds of facilities and projects that should be considered for the park. The public will be asked to help determine which projects are most consistent with the State Parks mission and the adopted vision and goals for Lake Sammamish State Park.

For more information, or to provide input: bit.ly/LakeSammPlan.
