SWIMMING
The park’s warm water – with 70 to 75 degree temperatures in the summer – makes it a popular destination for swimmers. Adjacent to Sunset Beach are restrooms, changing rooms, beach showers and picnic areas. Concession stands are available seasonally at both Sunset Beach and Tibbetts Beach.

PLAYGROUNDS
In 2016, a new all-access playground opened near Sunset Beach. Other playground equipment also can be found at Tibbetts Beach and at the south end of the Sunset Beach picnic area.

WATER ACTIVITIES
Lake Sammamish is popular for boating and fishing. The State Parks watercraft launch area – the only public launch site on the lake – features a launch ramp, five docks and parking for up to 225 cars and trailers. Kayak, stand-up paddle boards and pedal boats are available for rent most summer days at Tibbetts Beach.

SOFTBALL FIELDS
One softball field, located south of the Tibbetts Beach parking lot, is available on a first-come, first-served basis.

SOCCER FIELDS
The Issaquah Soccer Club maintains and operates 9 soccer fields at the park. Seven full-size soccer fields are .25 mile east of the park entrance on N.W. Sammamish Road. Two modifiable fields are located .6 miles further east on N.W. Sammamish Road. Call the club at (425) 272-2699 to schedule soccer field use or for soccer information. Organized field use requires permission from both the soccer club and the park.
